Lesson 5: Who Can Be a Scientist?

Meet Dr. Maya | Storybook pages 19–27

Name: _____ Date: _____

LET’S EXPLORE

Draw a scientist before and after reading; find safe choices in a lab scene.

1. Draw a scientist doing science.

_____

_____

2. Write or draw one laboratory safety rule.

_____

_____

DRAW, DIAGRAM, OR GRAPH YOUR IDEA

FACILITATOR MINI-GUIDE

Lesson 5: Who Can Be a Scientist?

Storybook pages 19–27 | Grades K–3; adaptable to 4–5

Learning goal

Explore who scientists are, what they do, and how they use task-appropriate PPE and safe practices.

Before reading

Invite children to share what they already know. Record questions without immediately correcting every guess.

During reading

Pause for careful observations, ask what the illustrations show, and distinguish what is visible from what is inferred.

After reading

Draw a scientist before and after reading; find safe choices in a lab scene.

Adaptation

K–1: use drawing and oral responses. Grades 2–3: add labels and a sentence of evidence. Grades 4–5: discuss uncertainty, fair comparisons, or limitations.

Safety and accuracy

Use supervised, age-appropriate materials. Describe evidence carefully and invite multiple ways of participating.
